

The John Lepping Memorial Scholarship: *Disabled Students*

The John Lepping Memorial Scholarship has been designed by the Lep Foundation for Youth Education (a public charity that provides financial assistance to students residing in NY, NJ or PA seeking to further their education).

Purpose

The Scholarship will be awarded to qualified students seeking to further their education by attending college. The amount of the scholarship is up to \$5,000.

John Lepping was extremely proud of disabled students who mustered the courage and determination to finish their college education despite their setbacks. This scholarship will help to deter the costs of college for disabled individuals who may not have the resources due to overwhelming medical costs.

Scholarship recipients must be able to provide proof of disability with letter of confirmation by a physician. Proof required after award notification. Do not submit with application.

Applicant must be a permanent resident of New York, New Jersey, or Pennsylvania.

Criteria

The recipient must demonstrate academic achievement through evidence of working to one's potential, demonstrate eligibility in one of 3 categories outlined above and be accepted for admission at an institution of higher education, e.g. college, community college, university or vocational school. All grades must be substantiated by official documentation.

E-mail applications must include digital copies of all required submission materials. **Due to the high volume of applicants, only award recipients will be notified.**

All checks are paid to the school directly; under no circumstances can we make payment directly to the student. Scholarship awards may be used for cost of attendance expenses. In order to receive payment, a student must have the school send to our offices the completed Verification of Enrollment form, where upon we will issue a check, payable to the school, and mail it directly to the school to establish a credit in the name of the student. The student will be notified when the check is mailed.

It is the responsibility of the student to follow up on all matters relating to his or her scholarship award.
